

Don't Need Nobody

Johnny Hallyday

Don't need nobody cause I got you
Needed somebody till I found you
I feel fine, fine, fine, fine all of the time
Cause you're mine, mine, mine, mine all of the time

I like to live and I like to leave
Nobody gives me what you got to give
I feel fine, fine, fine, fine all the time
Cause you're mine, mine, mine, mine all of the time

Nobody, nobody, nobody

Don't need nobody cause I got you
Needed somebody till I found you
I feel fine, fine, fine, fine all of the time
Cause you're mine, mine, mine, mine all of the time

I don't need nobody cause I got you
Oh! I don't need nobody now
Oh! Nobody
Well! Nobody yeah
