

Maybellene

Johnny Hallyday

Maybellene why can't you be true
Ooh Maybellene why can't you be true
You gonna stop by doing the things you used to do

As I was motorriding over the hill
I saw Maybellene in a coupé de ville
Cadillac running on an open road
Nothy (?) by (?)
Cadillac doing about 95
Bumper to bumper going side by side

Maybellene why can't you be true
Ooh Maybellene why can't you be true
You gonna stop by doing the things you used to do

Cadillac pulled up to 104
My Ford got hot and wouldn't do no more
Damned got cloudy and started to rain
I took my horn for the passing lane
Wind wen on blowing hund my hood
I knew that was doing my motor goed

Maybellene why can't you be true
Ooh Maybellene why can't you be true
You gonna stop by doing the things you used to do

Motor cooled down the heat went down
That's when I heard that I (wheigh some) (?)
Cadillac sitting like (?) 110 half a mile ahead
Cadillac looked like a (?) steel
And I called Maybellene at the top a the hill

Maybellene why can't you be true
Ooh Maybellene why can't you be true
You gonna stop by doing the things you used to do

Maybellene ooh
