

Take Good Care Of My Baby

Johnny Hallyday

My tears are falling
'Cause you've taken away
And though it really hurts me so
There's something that I've got to say

Take good care of my baby
Please don't ever make her blue
Just tell her that you love her
Make sure you're thinking of her
In everything you say and do

Take good care of my baby
No don't you ever make her cry
Just let your love surround her
Paint rainbow all around her
Don't let her see our cloudy sky
Once upon a time
That little girl was mine
If I'd been true
I know she'd never be with you

Take good care of my baby
Be just as kind as you can be
And if you should discover
You don't really lever her
Just send my baby back home to me

Take good care of my baby
Be just as kind as you can be
And if you should discover
You don't really lever her
Just send my baby back home to me...
