

As Long As I Live

Hank Locklin

I'll love you dear as long as I live
It was easy said that night we parted
That we'd forget we had ever met
I haven't forgotten I wonder if you have
Or if your heart's too full of regret
As long as I live if it be one hour
Or if it be one hundred years
I'll keep remembering forever and ever
I'll love you dear as long as I live

I never thought that night we parted
That life alone could be so bad
I know it sounds funny I'll never forget you
The only joy that I've ever had
As long as I live
