

# Don't Wanna Be Torn

Hannah Montana

Maybe it's the things I say  
Maybe I should think before I speak  
But I thought I knew enough  
To know myself and do what's right for me

And these wall I'm building now  
You used to bring 'em down  
And the tears I'm crying out  
You used to wipe away

I thought you said it was easy  
Listening to your heart  
I thought you said I'd be okay  
So why am I breaking apart  
Don't wanna be torn [4x]

Don't make me choose between  
What I want and what you think I need  
'Cause I'll always be your little girl  
But even little girls have got to dream  
Now it all feels like a fight  
You were always on my side  
And the lonely I feel now  
You used to make it go away

I thought you said it was easy  
Listening to your heart  
I thought you said I'd be okay  
So why am I breaking apart  
Don't wanna be torn

Why is this all so confusing  
Complicated and consuming  
Why does all this make me angry  
I wanna go back to being happy  
These tears I'm crying now you used to wipe away

I thought you said it was easy  
Listening to your heart  
I thought you said I'd be okay  
So why am I breaking apart  
Don't wanna be torn [8x]
