

Dream

Hannah Montana

Do me a favor
tell me what you think about me
Tell me how you want this to be
Go out on a limb and just dream

Paint a picture
Choose your colors extra wise
Especially what you put on my mind
Imagine what it'd be like to touch the sky, yeah, yeah

Whoa oh, your thoughts are gonna pick me up
Did you know it's good to feel so much

Whoa, you got my head in the clouds
Whoa, you got me thinking out loud
The more you dream about me the more that I believe
That nothings evers out of reach
So dream, dream, dream

I breathe your visions
They pull me through the coldest of nights
They steer me t'wards that moment in time
When you show what it means for you to be mine, yeah

Whoa, oh, you're giving me the will to try
Do you know that there's happy in these eyes

Whoa, you got my heads in the clouds
Whoa, you got me thinking out loud
The more you dream about me the more that I believe
That nothings evers out of reach
So, dream dream dream

Ha, It's like my birthday,
Everytime you look at me
It's like the best day
Everytime that you dream, yeah, yeah, yeah

Whoa, your thoughts are gonna pick me up
Do you know that its good to feel too much
MUCH!

Whoa, you got my heads in the clouds
Whoa, you got me thinking out loud
The more you dream about me the more that I believe
That nothings evers out of reach
So, dream dream

Dream, Dream

The more you dream about me the more I believe
That nothing's ever out of reach
So, dream, dream, dream
