

# I'll Always Remember You

Hannah Montana

I always knew this day would come  
We'd be standing one by one  
With our future in our hands  
So many dreams so many plans

Always knew after all these years  
There'd be laughter there'd be tears  
But never thought that I'd walk away  
With so much joy but so much pain  
And it's so hard to say goodbye

But yesterday's gone we gotta keep moving on  
I'm so thankful for the moments so glad I got to know ya  
The times that we had I'll keep like a photograph  
And hold you in my heart forever  
I'll always remember you

Na na na na  
Na na na na  
Na na na na na

Another chapter in the book can't go back but you can look  
And there we are on every page  
Memories I'll always save  
Up ahead on the open doors  
Who knows what we're heading towards?  
I wish you love I wish you luck  
For you the world just opens up  
But it's so hard to say goodbye

Yesterday's gone we gotta keep moving on  
I'm so thankful for the moments so glad I got to know ya  
The times that we had I'll keep like a photograph  
And hold you in my heart forever  
I'll always remember you

Everyday that we had all the good all the bad  
I'll keep them here inside  
All the times that we shared every place everywhere  
You touched my life  
Yeah one day we'll look back we'll smile and we'll laugh  
But right now we just cry  
'Cause it's so hard to say goodbye

Yesterday's gone we gotta keep moving on  
I'm so thankful for the moments so glad I got to know ya  
The times that we had I'll keep like a photograph  
And hold you in my heart forever  
I'll always remember you

Na na na na  
Na na na na  
Na na na na na

I'll always remember you  
Na na na na  
Na na na na

Na na na na  
I'll always remember you
