

# It's All Right Here

Hannah Montana

Why would you rather be,  
Anywhere else with me?  
I tell you man,  
It's all right here  
Wherever we are, wherever we are  
Check out the scenery  
We won the lottery  
I tell you man,  
It's all right here  
And I can't believe  
You'd even think,  
Of being any place  
Any place around here  
The grass may be green  
In the end, I swear  
But you'll be wishing you were here if you were there  
Wherever we go

(Wherever we are, Wherever we are  
Wherever we are, Wherever we are  
It's all right here)

Excuse me officer...

If you're smart you know you wanna  
Be in the midst of all hot energy  
It's all to welcome You,  
Time so good,  
It's moving way to fast  
If we could  
I know we'd make it last  
It's all here for you  
It's all here for you  
It's all here for you

It's all right here  
(Wherever we are, wherever we are.  
Wherever we are, wherever we are.)  
It's all right here  
(It's all right here  
its all right here  
(Wherever we are, Wherever we are)  
C'mon  
(Wherever we are, wherever we are)  
C'mon let's go!  
(Wherever we are)  
It's all right here

Any open road  
(Any open road)  
Will take us anywhere  
As long as I'm with you I won't care where  
And we can choose  
The desert or the sea  
Cause the good times are in front of you and me! (Me)

Why would you rather be,

Anywhere else with me?  
I tell you man,  
It's all right here  
(Wherever we are, Wherever we are)  
Check out the scenery  
We won the lottery  
I tell you man,  
It's all right here  
And I can't believe  
You'd even think  
Of being any place,  
Any place around here  
The grass may be green  
In the end, I swear  
But you'll be wishing you were here if you were there  
(If you were there)  
Wish you were here  
You'd wish you were here

And if I could  
Make you wanna stay  
Just one more day  
Maybe everything would be O.K.  
C'mon  
C'mon  
C'mon  
IT'S ALL RIGHT HERE!  
(Wherever we are, wherever we are  
Wherever we are, Wherever we are  
It's all right here)  
It's all right here  
(Wherever we are, wherever we are  
wherever we are, wherever we are  
It's all right here.)
