

# Ordinary Girl

Hannah Montana

Oh yeah,  
La da a da  
Don't get me wrong,  
I love who I am  
I don't wanna be ungrateful  
It probably sounds strange

I really love the role I play  
The songs I sing  
But with all the fame  
The things that seem so simple  
Suddenly, so far out of reach  
Wish that they could see  
That underneath

I'm just an ordinary girl!  
Sometimes I'm lazy  
I get bored, I get scared,  
I feel ignored, I feel happy  
I get silly, I choke on my own words.  
I make wishes, I have dreams,  
And I still want to believe,  
Anything can happen in this world  
For an ordinary girl!  
Like you like me  
For an ordinary girl  
Like you like me

How are you?  
Hello, goodbye  
One day here,  
One day there  
And again it's time to go  
Miss popular always on the road  
Put my best foot forward  
Gotta get on with the show

Strike a pose for the front  
Cover of a magazine  
Everywhere, I arrive I get  
High five's  
They paint me larger than life  
Yeah!

I'm just an ordinary girl!  
Sometimes I'm lazy  
I get bored, I get scared,  
I feel ignored, I feel happy (yeah)  
I get silly, I choke on my own words.  
I make wishes, I have dreams,  
And I still want to believe  
Anything can happen in this world  
For an ordinary girl!

So give it everything  
Or nothin' at all  
Get back on your feet

When you stumble and fall  
A little luck can go a long way  
So don't you worry about  
What people say  
Who knows where the wind may blow  
For an ordinary girl  
Mmm

I'm just an ordinary girl!  
Sometimes I'm lazy  
I get bored, I get scared,  
I feel ignored, I feel happy  
I get silly, I choke on my own words.  
I make wishes, I have dreams,  
And I still want to believe,  
Anything can happen in this world  
For an ordinary girl!  
Like you like me (yeah!)  
For an ordinary girl  
Like you like me

For an ordinary girl  
Mmm  
For an ordinary girl  
Like me, like you
