

Soul On Fire

Hans Theessink

Here comes my baby, dressed in blue
Hey sweet woman I'm crazy 'bout you
Oh baby, you set my soul on fire

Here comes my baby, dressed in white
Hey sweet woman let me hold you tonight
Oh baby, you set my soul on fire

Find the top of the world girl
Reach out for the stars
On the wings of an eagle
We'll be flying high, higher 'n' higher

Here comes my baby, dressed in black
Hey sweet woman let me scratch your back
Oh baby, you set my soul on fire

Here comes my baby, dressed in blue
Hey sweet woman I'm crazy 'bout you
Oh baby, you set my soul on fire
