Soul On Fire

Hans Theessink

Here comes my baby, dressed in blue Hey sweet woman I'm crazy 'bout you Oh baby, you set my soul on fire

Here comes my baby, dressed in white Hey sweet woman let me hold you tonight Oh baby, you set my soul on fire

Find the top of the world girl
Reach out for the stars
On the wings of an eagle
We'll be flying high, higher 'n' higher

Here comes my baby, dressed in black Hey sweet woman let me scratch your back Oh baby, you set my soul on fire

Here comes my baby, dressed in blue Hey sweet woman I'm crazy 'bout you Oh baby, you set my soul on fire
