

Life On Mars

Happy Rhodes

Sleepy eyes, oh, your daddy lies
Look to the stars above
Oh, sleepy eyes, all your teachers lie
Look to the stars, baby, yes there's life on Mars
Oh, sleepy eyes

Throw away your fears if you dare
Life is everywhere, oh, sleepy eyes

Sleepy child, all your dream defiled

Trust in the stars above
Oh, sleepy child, life goes running wild
Trust in the stars, baby, yes there's life on Mars
Oh, sleepy child

Throw away your fears if you dare
Darlin' life is everywhere, oh sleepy child
