Honeymoon

Hardcore Superstar

I wanna let you know
That I don't care at all
Oh baby don't you know
That I don't care for
Suck ups
Fuck ups
Who don't stand up
Just like a hick up
I'm sick of when you repeat stuff!

Suck ups
Fuck ups
Who don't stand up
Just like a hick up
I'm sick of when you repeat stuff!

I wanna know when our love is gone
I'll blame it on you in my honeymoon song
Sometimes I wonder when it all went wrong
I'll blame it on you in my honeymoon song

I can't breathe at all
'Cause I don't care for
Suck ups
Fuck ups
Who don't stand up
Just like a hick up
I'm sick of when you repeat stuff!

I wanna know when our love is gone
I'll blame it on you in my honeymoon song
Sometimes I wonder when it all went wrong
I'll blame it on you in my honeymoon song

I feel whole when you're gone
You're so wrong
All wrong
I can't breathe at all
Go send me off
Mental institution for all!

I wanna know when our love is gone
I'll blame it on you in my honeymoon song
Sometimes I wonder when it all went wrong
I'll blame it on you in my honeymoon song
Blame it on you in my honeymoon song
Blame it on you in my honeymoon song
Blame it on you in my honeymoon song
Blame it on you in my honeymoon song
