

It's Alright With Me

Harry Connick, Jr.

It's the wrong time and the wrong place
Though your face is charming it's the wrong face
It's not her face but it's such a charming face
That it's alright with me

It's the wrong song in the wrong style
Though your smile is lovely it's the wrong smile
It's not her smile but it's such a lovely smile
That it's alright with me

You can't know how happy I am that we met
I'm strangely attracted to you
There's someone I'm trying so hard to forget
Don't you want to forget someone too

It's the wrong game with the wrong chips
Though your lips are tempting they're the wrong lips
They're not her lips but they're such tempting lips
That if some night you're free
It's alright with me
