

Level Head

Have Mercy

It was something I'd never seen
Sitting reading year old magazines
In a house with you
You love to laugh and tell me dreams
Of who you are who you want to be
And I had no clue

But I'm thinking if the world does end
You'll talk to me, I'll be your ear to lend
Cause you were mine when I called you at 4 am
I'm saying I wonder what it's like when we're both dead
I always need to keep a level head

I always think about where we'll be
In 20 years and if you'll marry me
I had no clue
Wen you were drunk you told me dreams
Of who you are and who you want to be
And I had no clue
That hole in heaven was a void that filled you

But if the world does end
You'll talk to me, I'll be your ear to lend
Cause you were mine when I called you at 4 am
I'm saying I wonder what it's like when we're both dead
I always need to keep a level head

Oh out of everyone I've known
I should've not left you alone

Oh out of everyone I've known
Oh out of everyone I've known
Dear got here it goes

Oh out of everyone I've known
