

## S.O.S.

Hayley Kiyoko

I hardly ever give in and let out  
Won't listen to what you have to say  
I thought forever would hold on to you  
'Cause it's too hard to lose, yeah

Don't want you to leave me so you won't leave me when you do (When you do)

You keep me sending me a S.O.S  
But I can't read it so I  
Keep giving you the S.O.S  
Same old shit, repeat it

Falling way too fast  
Is it too late for a parachute?  
Ooh, ooh, hey

I'm going under, we've been here before  
I'm sober as fuck, try not to hate me  
We're counting to ten on who's gonna win  
Dry lines in the sand, yeah

Don't want you to leave me so you won't leave me when you do (When you do)

You keep me sending me a S.O.S  
But I can't read it so I  
Keep giving you the S.O.S  
Same old shit, repeat it

Falling way too fast  
Is it too late for a parachute?  
Ooh, ooh, hey

Ooh, na-na-na-na, yeah  
Na-na-na, yeah  
Ooh (You keep sending me a S.O.S.), na-na-na-  
na, yeah (You keep sending me a S.O.S.)  
Na-na-na, yeah  
I just get the same arms crossed, I just don't know where to start  
Stopped singing the same old song to you, so you

You keep me sending me a S.O.S  
But I can't read it so I  
Keep giving you the S.O.S  
Same old shit, repeat it

Falling way too fast  
Is it too late for a parachute?  
Ooh, ooh, hey

Ooh, na-na-na-na, yeah  
Na-na-na, yeah  
Ooh (You keep sending me a S.O.S.), na-na-na-  
na, yeah (You keep sending me a S.O.S.)  
Na-na-na, yeah
