

# Wanna Be Missed

Hayley Kiyoko

Wanna be loved every night  
Wanna know she's only mine  
Breathe her in, give me life  
Got all these hearts in a line  
They all wasting their time  
'Cause only you do me right

Baby, you should pick up the phone  
'Cause I'm wondering if you're alone  
'Cause I'm driving down Sunset  
If you're around, come get it  
Baby come, come get it

I wanna be missed like every night  
I wanna be kissed like it's the last time  
Say you can't eat, can't sleep, can't breathe without me  
I wanna be held, fragile like glass  
'Cause I've never felt nothing like that  
Say you can't walk, can't talk, go on without me

Want you tired every day  
'Cause I run through your brain  
Hold me down, keep me safe  
This is as good as it gets  
Don't you dare second guess  
Only want you saying yes

Baby, you should pick up the phone  
'Cause I'm wondering if you're alone  
'Cause I'm driving down Sunset  
If you're around, come get it  
Baby come, come get it

I wanna be missed like every night  
I wanna be kissed like it's the last time  
Say you can't eat, can't sleep, can't breathe without me  
I wanna be held, fragile like glass  
'Cause I've never felt nothing like that  
Say you can't walk, can't talk, go on without me

Say, say you can't eat  
Say, say you can't sleep  
Say, say you can't breathe  
You can't breathe without me  
You can't breathe without me

I wanna be missed like every night  
I wanna be kissed like it's the last time  
Say you can't eat, can't sleep, can't breathe without me  
I wanna be held, fragile like glass  
'Cause I've never felt nothing like that  
Say you can't walk, can't talk, go on without me

I, I wanna be missed (so come hold me)  
I, I wanna be kissed (so come feel me)  
Come and make me feel missed  
(I wanna be missed babe)

Girl come make me feel missed  
(Come and miss me yeah)  
I, I wanna be held (so come hold me)  
I, I wanna be felt (so come feel me)  
Come and make me feel missed  
(Wanna make you feel it)  
Girl, I wanna feel missed  
Make me feel missed
