

Love Alive

Heart

The Sky was dark this morning
When I raised my head
I stood at the window -
Darkness was my bane

Suddenly a sunbeam arch
Thrilled me to my weary heart
It was the prettiest thing I'd ever seen

I knew I had to keep my Love
Keep my Love alive
Keep my Love - Keep my Love live

Baby I want you to roll me
Hold me in your love
No more habits, promises and jive
Ever since I was a baby girl
Wanted one thing most in this world
It was to Keep My Love -
Keep My Love alive

I want to keep my Love -
Keep my Love alive
Keep my Love - keep my love alive

You're up there under the spotlight
Your silver trophy shines
With all you got, my lord!
You must get high
You need a whole lot more than money
You need more than to survive
You need to keep your Love
Keep your Love alive
