

## Red Velvet Car

Heart

No need standing in the rain  
Just call me down to where you are  
That icy wind will bring the pain  
And I don't care if it's far

Don't sit crying in your room  
Stealing candy from the jar  
I will be there very soon  
In my red velvet car

Maybe you got hit real hard  
Maybe you are on the floor  
People screaming out your name  
'Cause they don't trust you anymore

I'm coming for you  
I'm coming for you  
I'm coming for you  
I'm coming, oh yeah

I'm coming for you  
I'm coming for you  
I'm coming for you  
Yeah, yeah, yeah, I'm coming  
Yeah, yeah

So pull your weary bones inside  
You can sleep while I drive  
Watch the moonlight on the lake  
I won't even touch the brake  
In my red velvet car

My red velvet car  
My red velvet car
