

# Tall, Dark Handsome Stranger

Heart

I'm so tired of these men trying to  
impress me with nothing  
The same old routine and the smooth  
fancy talking  
Now I know and believe that I found  
it for real  
'Cos you're good and you're kind and  
you care how I feel

I had a tall dark handsome stranger  
I've had the devil in disguise  
I've been attracted to the danger  
But I was never satisfied  
And I know what I like  
And I like what I see in your eyes  
You're so beautiful

I've been pushed I've been pulled  
I've been put out and trod on  
Just by taking my chances I finally  
caught on  
When I see in your eyes all the love  
shining through  
I'm so glad I held out for somebody  
like you

I had a tall dark handsome stranger  
I've had the devil in disguise  
I've been attracted to the danger  
But I was never satisfied  
And I know what I like  
And I like what I see in your eyes

Heaven must have sent you I know  
You're so good to me  
I feel good with you  
I'd be such a fool to let you go  
There's something about you  
I can't live without you

I've had fast talking good looking men  
at my door  
Now I'm a wiser woman than I was before

I had a tall dark handsome stranger  
I've had the devil in disguise  
I've been attracted to the danger  
But I was never satisfied  
And I know what I like  
And I like what I see in your eyes

I had a tall dark handsome stranger  
I've had the devil in disguise  
I've been attracted to the danger  
But I was never satisfied  
And I know what I like  
And I like what I see in your eyes
