

Vaginal Blood And Construction Paper Cigarettes

Heavy Heavy Low Low

Open the door
spit in my face
get on your knees and bleed on me
everyone needs to wake the f**k up and witness the sheer atroci
ty in the powder room
i didn't cum
the putrid f**k smell of blood and cigarettes wouldn't allow it
can you even feel me in you
let's be obscure
give it to me
i'll f**king give it to you
turn on the lights
it's a bloodbath
this is a disaster
and you've ruined my pants
