

She Works Hard For The Money

Helena Vondráčková

She works hard for the money
So hard for it honey
She works hard for the money
So you better treat her right

She works hard for the money
So hard for it honey
She works hard for the money
So you better treat her right

Better there in the corner stand
And she wonders where she is
And it's strange to her
Some people seem to have everything
Nine a.m. on the hour hand
And she's waiting for the bell
And she's looking real pretty
Just waiting for her clientele

She works hard for the money
So hard for it honey
She works hard for the money
So you better treat her right

She works hard for the money
So hard for it honey
She works hard for the money
So you better treat her right

Twenty eight years have come and gone
And she's seen a lot of tears
Of the ones who come in
They really seem to need her there
It's a sacrifice working day to day
For little money just tips for pay
But it's worth it all
Just hear them say that they care

She works hard for the money
So hard for it honey
She works hard for the money
So you better treat her right

Already knows she's seen her bad times
Already knows these to the good times
Never sell out
She never will
Not for a dollar bill
She works hard

She works hard for the money
So hard for it honey
She works hard for the money
So you better treat her right

She works hard for the money
So hard for it honey

She works hard for the money
So you better treat her right
