Hello Saferide

Party favours on the floor and a  
Half drunk bottle with a popcorn in it  
Yesterday's dress in a complete mess and a  
Bruise on my arm, I don't know how I got it  
January 1st and it's already clear:  
It's gonna be another shitty year

This years resolutions:  
I will exercise more  
Call my grandma  
Tell my family that I love them  
Learn more about the world wars, and forget  
I will learn a new word each day  
Today's word is dejected

And on the top of the list there's you  
I'm going to be with you  
I haven't told you yet but I'm going to be with you

Aaaah

Doorbell's ringing, I ordered pizza  
Came half through it, wish I hadn't eaten so much, had some more  
Watching Ivanhoe on TV,  
Picturing me as slacker Marion  
Wished for a life this year, it's brand new  
But on the top of the list there's you  
I'm going to be with you  
I haven't told you yet but I'm going to be with you
