## Asshole

Helloween

I, never saw you goin straight
You, lying right into my face
High, my expectations were for faith
You, you're driving me insane

No one came that far, without abilities You're the greatest of them all You lie you steal you betray you don't feel

You're an asshole Typical human being You're a sucker Sucking out energy Asshole Typical human being You motherfucker Stupid shit you make me flee

I, I'm sick of your stupid ego No, you are not the only one You, your manipulation stops here No, right now we are not friends

No one came that far, without abilities You're the greatest of them all You lie you steal you betray You don't feel

You're an asshole Typical human being You're a sucker Sucking out energy Asshole Typical human being You motherfucker Sucking out energy Asshole Typical human being You motherfucker Stupid shit you make me flee

You're an asshole Typical human being You're a sucker Sucking out energy Asshole Typical human being You motherfucker Stupid shit you make me flee

Asshole Typical human being You motherfucker Stupid shit you make me flee Asshole!
