

Faith Healer

Halloween

If your body's feeling bad
And it's the only one you have
You want to take away the pain
Go out walking in the rain
You watch the flowers go to bed
Ask the man inside your head
Your spirit never has to grieve
All you've got to do's believe
The faith healer, the faith healer

All you've got to do is feel
Your body's going to start to heal
The fingertips of holy fire,
Everlasting sweet desire
It never mattered
What the doctor said
The healer man will sail away
It's immortality for two,
Oh the miracles
They will come to you
From faith healer, the faith healer
Can I put my hands on you?
Can I put my hands on you?

Faith, and hope, and charity,
The simple relativity
He can make you understand
All you've got to take his hand
Remember somebody said
Ask the man inside your head
The fingertips of holy fire,
Everlasting sweet desire
The faith healer, the faith healer!
Can I put my hands on you?
Can I put my hands on you?
Let me put my hands on you?
Let me put my hands on you?
Can I put my hands on you?
Can I put my hands on you?
The faith healer, the faith healer...
