

# Light the Universe

Halloween

In a house up the hill  
Lays a boy, he's sleeping still  
And the time's creeping by  
Till the world prepares to die  
Then again out of dust  
Will arise what ended last  
And the boy will awake  
Give his dream a little brake

And the story now goes on and on and on  
As the old has died the new arises  
And a child will

Light the Universe  
Light the Universe  
We got blind, we can't read the signs  
Light the Universe  
Light the Universe  
We don't find what's hidden in our mind

Under sand in sea  
Covered with eternity  
Beats a heart with no fame  
Quietly whispering my name  
When my time has run out  
I will hear it very loud  
Telling tales I once knew  
But forgot by losing you

And the story now goes on and on and on  
As the old has died the new arises  
And a boy will

Light the Universe  
Light the Universe  
We got blind, we can't read the signs  
Light the Universe  
Light the Universe  
We don't find what's hidden in our mind
