

Russian Roulé

Helloween

Can anybody tell me how i gotta do it right?
I need a revelation
Can anybody tell me how to turn back to the light?
I'm yearning for salvation

I don't know
Which way to go
So i
Come out and play
I come out and play
Russian roulé
Come out and play
Russian roulé

Better to die trying than to rot away in vain
The last stop to damnation
Better to be fighting for a better life in pain
Than living on probation
I don't know

Which way to go
So i
Come out and play
I come out and play
Russian roulé
Come out and play
Russian roulé

Somebody tell me how to live my life
Must i break the rules?
Somebody tell me how i have to fight
To live to win, to live up high

Come out and play
Come out and play
Russian roulé

Come out and play
I come out and play
Russian roulé

Come out and play
Russian roulé

Russian roulé
Russian roulé
