

# The King for a 1000 Years

Helloween

Forgotten in his reich of shadows  
Banned forever, one thought  
The Lord of evil was given name and place  
Of the seventh sea, shelter of the seventh key  
Who was betraying us? I guess you know  
There would be more than one name to name  
Now he, whose name is many, searches for the one...  
The one strong enough to survive as his terrestrial hand  
enticement and promise will crown a king  
A puppet on a string - for a 1000 years,  
...so they sing...

Wouldn't it be nice  
To plunder with your eyes  
Whatever there's for you to see  
Is yours to be  
Let me be there  
Just tell me you don't care  
Just say you pay me after life  
However high the price

I know your secrets  
I know it all

I know your secrets  
I see the hidden without light  
I am your sickness  
Biting you right behind your eyes  
Don't try to kill me  
I cannot die, a death you know  
You and I will be  
Heaven above and hell below

Brother, believe me  
Father, conceive me  
Perceive me

Time will be a turning wheel  
We shove or retard  
Time will be a toy  
Time we will enjoy  
Say you want to live forever  
Minus one day  
Say you will obey and I

I will show - I will show  
I will show your Reich of gold  
And I will show - I will show  
I will show you friend and foe

Wouldn't it be nice  
To reign and to decide  
Whatever there's attracting you  
Will give its due to you  
Let me be there  
Just say you want to share  
A power no one will withstand

Just be my human hand

I know your secrets  
You want it all

I will show - I will show  
I will show you Reich of gold  
And I will show - I will show  
I will show you friend and foe

[Not included in the booklet \*]  
Don't release us now he sees us  
No illusions, executions  
The damnation, the annihilation  
The non-stopping celebration

Alienation, elimination, chaos, no exoneration  
No believers, all deceivers, no illusion, executions

Melody: Sascha

We are King For A 1000 Years  
We are king of a million tears  
We're the ones who bring desire  
Binding their greed and fears  
We are king of fallen men  
We are keepers of the damned  
Turning hope into obsession  
We are the king  
We are The King For A 1000 Years

Ages of fire - Aeon of darkness, fear and hate  
Wake up my creatures  
Stand up you bringers of man's fate  
No one can kill us  
We cannot die, a death one knows  
Mankind is sleeping  
My victory near, their end so close

I know their secrets  
I know it all

Solo: Both/Sascha/Weiki

Goodbye sorrows  
Borrow me your hand to turn the key  
Release me - Believe me  
Goodbye sorrows  
Never more you have to fear futurity  
Goodbye sorrows  
Borrow me your hand to turn the key
