

## Feast or Famine

Hellyeah

have you like bone the blame  
you start it in the sticking away  
condition to keep warning raw  
can you d\_\_\_ him out and the gist the blame  
you g\_\_\_\_\_ man so grinding the bay  
come in here in to found our source

you can head anymore but you won seal of my left  
feast of famer  
we shoot up the star  
we don't get the better  
like corms turning stars  
head is on handle  
we lost in the dark  
so making him the better  
when we are guitar on ward

looking my live this is gill so rage  
you f\_\_\_ seem can state to taste  
so hard love to a cove  
sold you soul for the magic piece  
bul a little bit of crown it jest groove adjust  
like sell of him the star  
you god Yosh if the gall of the you sting'oll math

feast or famer  
we shoot up the star  
we don't get the better  
like corms turning stars  
head is on handle  
we lost in the dark  
so making him the better  
when we are guitar on ward

that you wall of day  
warning what that is wont be kick  
glad in me you out of day  
we want it all we won everything  
(solo)  
you can head anymore but you won seal of my left  
feast of famer  
we shoot up the star  
we don't get the better  
like corms turning stars  
head is on handle  
we lost in the dark  
so making him the better  
when we are guitar on ward
