STARTARIOT

You can cut me, knife me, shoot me, jab me carve me up and stab me but you'll never defeat me,
You can shoot me, blast me, gun me down, try to put me underground you'll never defeat me,
I've got an army on my back and if we're under attack you better be fucking ready,
Undeniable unity in the metal community and we're coming to bury

Tooth and nail we fight, RIOT! Fire bomb at my side, RIOT!
Fight fire with fire, RIOT! Swarm like buzzsaws and RIOT!

Fuck peace and quiet, let's start a riot
Psycho or psychotic, let's start a riot
Fuck peace be violent, let's start a riot
Psycho or psychotic, get nuts and start a riot

STARTARIOT

You can abuse and bruise, insult, refuse, I'll never lose,
You lit my fuse and you'll never break me
You can start a war - fuck me around destroy my life
And tear me down but you'll never break me
You can bust me jump me punch and pound,
Let me dead tied up and bound but I fuckin broke trough
You can disrespect till I erupt you piss me off and
I'll fuck you up and I'll fuckin break you

Tooth and nail we fight, RIOT! Fire bomb at my side, RIOT!
Fight fire with fire, RIOT! Swarm like buzzsaws and RIOT!

Fuck peace and quiet, let's start a riot
Psycho or psychotic, let's start a riot
Fuck peace be violent, let's start a riot
Psycho or psychotic, get nuts and start a riot

STARTARIOT

Fuck peace fuck quiet, let's start a riot
Psycho or psychotic, let's start a riot
Fuck peace be violent, let's start a riot
Psycho or psychotic, let's start a riot

RIOT! LETS RIOT!

Fuck peace be violent, let's start a riot psycho or psychotic,
Get nuts and start a riot
