

## Born Annoying

Helmet

I open my mouth to talk about me  
I'll follow you around  
I'll talk about me  
Boring stories, I talk about me  
I never understand  
Nobody wants to hear it

Born annoying

Another slow numb  
Another saying  
Deaf-mute dancing  
I bore some lady  
Let me tell you  
Let me talk some  
About my girl about complexion

Born annoying
