## Murder

Tight security Looks that challenge Savage end, make the food chain balanced Even the fabulous can't avoid A random attack to pass a boring night, blue

Blue habit sap my strength Fleet of dump trucks line my street Bludgeoned to death or shot in the head Murder down the hall That green monument won't prevent death, no one

No one said, no one's safe No one said, no one's safe No one said, no one's safe No one, no one's safe Helmet
