

Don't Go Out Into the Rain

Herman's Hermits

Don't go out in the rain you're gonna melt, sugar
Oh no come and sit down near the fire for a spell, sugar
Oh woe please take your shoes off and make yourself comfortable
The weather's miserable and you're so kissable
(It's getting late) why don't you wait
(It's after one) we've just begun
Please take your shoes off and make yourself comfortable
The weather's miserable and you're so kissable
The house is ours now that everybody's gone
And while the telly's on we could be having fun
It's getting late, why don't you wait
(It's after one) we've just begun
(I've gotta go) no, no, no, no
Don't be insane, don't go, please don't go
Don't go
It's getting late, why don't you wait
(It's after one) we've just begun
(I've gotta go) no, no, no, no
Please don't wait
