

# Something Is Happening

Herman's Hermits

Something is happening,  
And it started happening,  
When you walked by.  
Something is happening,  
And it's changing everything  
Do you know why?  
As soon as you started to kiss me  
Something new suddenly hit me  
Love walked over, it's always happening  
The same sort of things to others too.  
Something is happening to me  
And I only hope the same thing is happening to you

Something is happening  
Exiting the world you're in  
You must know why.  
Something is happening  
I can't think of anything  
But you and I.  
What begins, these happy notions  
You do think, to my emotions  
I can tell what ever is happening  
There's nothing about it I can do.  
Something is happening to me  
And I only hope the same thing is happening to you

As soon as you started to kiss me  
Something new suddenly hit me  
Love walked over, it's always happening  
The same sort of things to others too.  
Something is happening to me  
And I only hope the same thing is happening to you

What begins, these happy notions  
You do think, to my emotions  
I can tell what ever is happening  
There's nothing about it I can do.  
Something is happening to me  
And I only hope the same thing is happening to you
