

You Won't Be Leaving

Herman's Hermits

The hour is very late
And I can see you're getting worried
Coffee's finished, candle's low
And soon you'll be asleep
Long walk home the night is chilly
And my room is cozy
I've got a feeling you won't be leaving tonight

Never thought to ask you
Why you really came to see me
Was it just the pictures pinned
So neatly to the wall?
Candle light paints shadows
Of your figure on the ceiling
I've got a feeling you won't be leaving at all

I don't try to fight it baby
I see the love light in your eyes
Just hold me tight then baby
You'll see that I'm not telling lies

Never thought to ask you
Why you really came to see me
Was it just the pictures pinned
So neatly on the wall?
Candle light paints shadows
Of your figure on the ceiling
I've got a feeling you won't be leaving tonight
I've got a feeling you won't be leaving tonight
