## **Mixtape For Christmas**

## **Hey Monday**

You make the holidays so lovely darlin You give me butterflies like when we started Our lovin' feels so precious It's like a winter wonderland There's nothin' more I can ask for this year

Than our mixtape for Christmas with all our favorite songs
I'd stay here forever if you'll sing along
Just us and the fire, we're swayin' to the beat
There's no place I'd rather be
Than here listenin' to our mixtape

We keep each other warm when winter kicks in This is my favorite season just because of magic turns up loud and I just don't get how I could ever spend the 25th without

Our mixtape for Christmas
with all our favorite songs
I'd stay here forever if you'll sing along
Just us and the fire, we're swayin to the beat
There's no place I'd rather be

I'm a brand new me
and all of the lights are shining
I can't stop smilin' with you by my side

Our mixtape for Christmas with all our favorite songs I'd stay here forever if you'll sing along
