

In A Dream

High Highs

So wait a while
Won't you back off the road
So give me time
To show all you write

In a dream I saw all the sun in the sky
If you would believe me
If you would stay a while
Come on in
I know that you feel the same

I'm going away
For a while
To sleep away
I'll only ring in due time

In a dream I saw all sun in the sky
If you would believe me
If you would stay a while
Come on in
I know that you feel the same

If you would believe me
If you would stay a while
Stay a while
Stay a while
