

Stick To The Status Quo

High School Musical

You can bet
There's nothin' but net
When I am in a zone and on a roll
But I've got a confession
My own secret obsession
And it's making me lose control

Everybody gather around

If troy can tell his secret
Then I can tell mine
I love to bake!

What?
Scones, strudel, even apple pandowdy.
Not another sound!
I hope to make the perfect crûme Brûlée

No, no, noooooooooooooo
No, no, no
Stick to the stuff you know
If you wanna be cool
Follow one simple rule
Don't mess with the flow, no no
Stick to the status quo

Look at me
And what do you see?

Intelligence beyond compare

But inside I am stirring
Something strange is occurring
It's a secret I need to share

Open up, dig way down deep

Hip-hop is my passion
I love to pop, and lock, jam and break!

Is that even legal?

Not another peep

It's just dancing
And sometimes, I think it's even cooler than homework!

No, no, noooooooooooooo
No, no, no
Stick to the stuff you know
It's better by far
To keep things as they are
Don't mess with the flow, no no
Stick to the status quo

Dudes!

Not you too!

Listen well,
I'm ready to tell

About a need that I cannot deny

Dude, there is no explanation
For this awesome sensation
But I'm ready to let it fly

Speak your mind you'll be heard

If troy can be in a show
Then I'm coming clean
I play the cello

Awesome! what is it?

*DOES A AIR CELLO SOLO, THE MUSIC CATCHES FIRE THROUGHOUT THE CAFETERIA *

Do you have to wear a costume?

Coat and tie.

That's uncalled for!

No, no, no
Stick to the stuff you know
If you wanna be cool
Follow one simple rule
Don't' mess with the flow, no no
Stick to the status quo

No, no, noooooooooooooo
No, no, no
Stick to the stuff you know
It it's better by far
To keep things are they are
Don't mess with the flow, no no
Stick to the status quo

This is not what I want
This is not what I planned
And I just got to say
I do not understand
Something is really

Something's not right

Really wrong

And we gotta get things
Back were they belong
We can do it

Gotta play

Stick with what you know

We can do it

Hip- hop hooray

She has got to go

We can do it

Crime Brule

Keep your voice down low

Not another peep

Not another word

Not another sound

Everybody quiet!

Why is sharpay staring at you?

Not me, you

Because of the call backs?

Lets face it, no one has beaten out sharpay for a part in a musical since kindergarten.

Noooooooooooooooooo, no, no, no

Stick to the stuff you know

If you wanna be cool

Follow one simple rule

Don't mess with the flow, no no

Stick to the status quooooooooooooooooo

No, no, no

Stick to the stuff you know

It it's better by far

To keep things are they are

Don't mess with the flow, no no

Stick to the status
