

Play with Fire

Hilary Duff

- Em**
1. I can't believe it's really you
G
Been so long, you look good
Em
I hear you're doing really well
G
Don't ask me, let me tell you
Em
How I've been since when you left
G
Since you left me for dead
Em
Finally every tear has dried
G
I've wiped you from my life
- Em**
X: Do you remember all the times you said you'd call me
Em
'Cause I remember all the reasons people warned me
Em
And now I hear your sayin' that you still adore me
Em
But if you think I'd ever get with you again
Em
Then you can just
- Em** **G**
R: Love me, love me Feed the flame
C **Am**
If you want me back again
Em **G**
Burned through the sky Higher and higher
C **Am**
Baby, can you play with fire
- Em** **G**
(Burned into the sky) Love me, love me
Em **G**
(Far into the sky) If you want me
2. You never know just what you got
'Til it's gone, you freak out
But I'm not falling for that game
Boys like you never change
You made me feel I wasn't enough
Wasn't enough for your love
But it was insecurity that
made you run It wasn't me
- Em** **G**
X. So dont you sit there trying to give me more excuses
Em **G**
I don't have time for this I'm off to play in Houston
Em **G**
And I'm too busy with the million things I'm doin'

Em

You can't make up for what you've done
