

When the Fight Calls

Hillsong Young & Free

You've overcome this world with love
And made my fight Your own
I lift my eyes and throw fear aside
And sing out into the night

'Cause even when the world caves
Even when the fight calls
Even when the war's waged
I'll take heart
I know You are greater
Forever You are Savior
I will sing Your praise
With all that I have
With all that "I am", Lord

I'll stare down the waves
'Cause You own the tide
I still my soul and know
You wait for me
On waters wild
Where faith walks above the storm

Even when the world caves
Even when the fight calls
Even when the war's waged
I'll take heart
I know You are greater
Forever You are Savior
I will sing Your praise
With all that I have
With all that "I am", Lord

I won't let the storm weather my heart
Won't let the darkness beat me down
Sing in the night my hope alive in You
I'll walk through the fire and not be burned
Pray in the fight and watch it turn
Jesus tonight I give it all to You

Even when the world caves
Even when the fight calls
Even when the war's waged
I'll take heart
I know You are greater
Forever You are Savior
I will sing Your praise
With all that I have
With all that "I am", Lord
With all that I have
With all that "I am", Lord

Yeah
Oh oh
Yeah
Oh oh

I won't let the storm weather my heart

Won't let the darkness beat me down
Sing in the night my hope alive in You
I'll walk through the fire and not be burned
Pray in the fight and watch it turn
Jesus tonight I give it all to You
