there's no cure for the pain
Dmi Ami
no shelter from the rain
C G E
All our prayers seem to fail

F
in world so hollow
C G
it is breaking my heart
Ami C G
in joy and sorrow my home's in your arms
F
in world so hollow
C G
it is breaking my heart
2. Oh girl we are the same
we are strong and blessed and so brave
with souls to be saved
and faith regained
all our tears wipe away

R: In joy and sorrow...
