

Resurrection

HIM

Hmi **A**
1. There was a time
 G **Hmi**
When I could breath my life in you
Hmi **A**
One by one
 G **Hmi**
Your pale fingers started to move
 Hmi **A**
And I touched your face
 G **Hmi**
And all life was erased
 Hmi **A**
You smiled like an angel
F#mi **Hmi**
(falling from grace)

Hmi **G** **D**
R: We've been slaves to this love
 F#mi7 **Hmi**
From the moment we touched
 G **D**
And keep begging for more
 F#mi7 **Hmi**
Of this resurrection

2. You kissed my lips
With those once cold fingertips
You reached out for me
And oh how you missed
You touched my face
And all life was erased
You smiled like an angel
(falling from grace)

R: We've been slaves...
