Rip Out the Wings of a Butterfly

Heaven ablaze in our eyes We're standing still in time The blood on our hands is the wine We offer as sacrifice

Come on, and show them your love Rip out the wings of a butterfly For your soul, my love Rip out the wings of a butterfly For your soul

This endless mercy mile We're crawling side by side With hell freezing over in our eyes Gods kneel before our crime

Come on and show, them your love Rip out the wings of a butterfly For your soul, my love Rip out the wings of a butterfly For your soul (Rip out the wings of a butterfly) DonDt let go (Rip out the wings of a butterfly) For your soul

Come on, and show them your love Rip out the wings of a butterfly For your soul, my love Rip out the wings of a butterfly For your soul (Rip out the wings of a butterfly) DonDt let go (Rip out the wings of a butterfly) For your soul
