Under The Rose

I dream of the winter in my heart turning to spring While the ice gives way under my feet And so I drown with the sun

I've been burning in water and drowning in flame To prove you wrong and scare you away I admit my defeat and want back home In your heart under the rose

I open my eyes with a sigh of relief As the warmth of summer's sunlight dances around me And I see you with dead leaves in your hands

I've been burning in water and drowning in flame To prove you wrong and scare you away I admit my defeat and want back home In your heart under the rose

I've been burning in water and drowning in flame To prove you wrong and scare you away I admit my defeat and want back home In your heart under the rose

I've been burning in water and drowning in flame To prove you wrong and scare you away I admit my defeat and want back home In your heart under the rose

In your heart under the rose In your heart under the rose In your heart under the rose
