Wicked game

The world was on fire, no one could save me but you It's strange what desire will make foolish people do I'd never dreamed that I'd need somebody like you And I'd never dreamed that I'd lose somebody like you

No I don't wanna fall in love this world is only gonna break your heart No I don't wanna fall in love this world is only gonna break your heart ..with you

What a wicked game to play To make me feel this way What a wicked thing to do To let me dream of you What a wicked thing to say You never felt this way What a wicked thing you do To make me dream of you

No I don't wanna fall in love this world is only gonna break your heart No I don't wanna fall in love this world is only gonna break your heart ..with you

The world was on fire, no one could save me but you It's strange what desire will make foolish people do No and I never dreamed that I'd love somebody like you I'll never dream that I lose somebody like you, no

Now I wanna fall in love This world is only gonna break your heart Now I wanna fall in lust This world is only gonna break your heart ..with you

Nobody loves no one
