

Love Again

Hird

Some day I'll love again
But it won't be you
I'll be gone 'til then

Once I didn't know
What breaks a heart
Guess, I had to learn

Guess, I didn't know
Guess, I had to learn

Some day I'll love again
But it won't be you
I'll be gone 'til then

Once I didn't know
What breaks a heart
Guess, I had to learn

Guess, I didn't know
Guess, I had to learn

I'm crying again
It's time I stop denying

Guess, I had to learn
Guess, I didn't know

I'm crying again
It's time I stop denying
