

# Baby Don't Cry

The Hollies

I got a girl she's crazy about me  
She'll go down in history  
Twenty four hours of every day she'll cry

So baby don't {Baby don't cry}  
Oh baby don't {Baby don't cry}  
Dance a little, shake a little, you can even twist and shout  
But baby don't cry, baby don't cry

Everytime we say good night  
As I go to hold her tight  
Never get to kiss her 'cauze she cries

Oh baby don't {Baby don't cry}  
Oh baby don't {Baby don't cry}  
Dance a little, shake a little, you can even twist and shout  
But baby don't cry, baby don't cry

Does she love me, Yes or no  
Will she ever tell me so  
She just doesn't got the time She cries

Oh baby don't {Baby don't cry}  
Oh baby don't {Baby don't cry}  
Dance a little, shake a little, you can even twist and shout  
But baby don't cry, baby don't cry

Dance a little, shake a little, you can even twist and shout  
But baby don't cry, baby don't cry  
One, two, three, four
