

Don't Give Up Easily

The Hollies

If a foolish fool like me
Can read you easily
Then something must be wrong

Something's different when we speak
It seems the past few weeks
Our love's not been so strong

Lovers have always had this problem
Ask anyone, you'll see
We've got to hang on til it passes
Don't give up easily

If we say what's on our minds,
We'd save a lot of time
Don't give up easily

I know you're feeling bad
Sometimes I make you sad
But when you're feeling sad,
I'm feeling just as bad

During the good times it's so easy
You are in love like me
Sometimes we feel we want to leave it
Don't give up easily

If we say what's on our minds,
We'd save a lot of time
Don't give up easily
Ask anyone, you'll see
They'll say the same as me
Don't give easily
