## **Heading for a Fall**

**The Hollies** 

You say that you want me I've no cause to doubt you My friends tell me different that's all They say that I'm blind But I know all about you I know that I'm heading for a fall I know that I'm heading for a fall

I seem to be hypnotized by all your beauty A subject to your beck and call Your arms magnetize me When I'm here beside you I know that I'm heading for a fall I know that I'm heading for a fall

Or am I wasting my time Or am I wasting my time

Or am I wasting my time Or am I wasting my time

What is it about you that tempts me and taunts me I can't understand it all If I try to leave you I know that you'll haunt me I know that I'm heading for a fall I know that I'm heading for a fall
