## **This Wheel's on Fire**

This wheel's on fire This wheel's on fire This wheel's on fire

If your memory serves you well We're gonna meet again and wait So I'm gonna pack all my things And sit there for it gets to late

No my ?? will come to you With another tale to tell And you know that we shall meet again If your memory serves you well

Wheel's on fire Rollin down the road Let's notify my next of kin This wheel shall explode

If your memory serves you well I was gonna confiscate your lace And wrap it up in a sailors knot And hide it in your case If I knew for sure that it was yours But it was so hard to tell And you know that we shall meet again If your memory serves you well

This wheel's on fire This wheel's on fire This wheel's on fire

If your memory serves you well You'll remember you're the one That called on me to call on them To get your favours done And after every ?? I failed And there was nothin more to tell You knew that we should meet again If your memory serves you well

This wheel's on fire This wheel's on fire This wheel's on fire
